## 91,000 Inquiries Answered

An Indication of the Authoritative Position of America's Greatest Financial Publication

HE implicit confidence of The Magazine of Wall Street's readers is evidenced by the fact that its Inquiry Department has answered directly by personal letter during the past year over 91,000 questions on Stocks, Bonds and other financial problems.

> The President of a manufacturing firm of national reputation writes us for our advice regarding his personal holdings, owned outright, consisting of nine (9) different stocks of total value of \$294,500. He asks: "Will appreciate your analysis and opinion of the above list on a business man's investment basis.'

> A leading New York Mortgage Company writes us in the interest of one of its women clients regarding two semi-investment securities: "As we do not feel confident to advise her, may we ask that you give your opinion?"

> A trustee with \$12,000 to invest for a widow writes for a list of twelve best preferred stocks giving highest yield consistent with safety.

The owner of a bottle manufacturing concern writes for suggestions on the investment of \$4,000 in stocks of a semi-investment

Read the Leading Articles in the February 7th Issue Now on Sale at All News-stands.

JAMES SPEYER ON MONEY AND RAILROAD PROBLEMS

What does Europe need today? What is the remedy for the H. C. of L.? What is necessary to the establishment of railroad credit? These are a few of the questions discussed by James Speyer in an exclusive interview in this issue.

FOREIGN EXCHANGE DISCOUNTS AND DEPRECIATED CURRENCIES

by G. C. Selden, is an authoritative and informative study that throws new lights upon a much-discussed subject.

HOW I HANDLE MY OWN FUNDS by Richard D. Wyckoff, takes up fundamental points in the choice of an investment. This is the sixth of a notable series of articles giving experiences of the author's 31 years in Wall Street.

THE ART OF HEDGING

by Benjamin Graham, shows how experienced Wall Street men are able to make profits with only a limited risk by selling one security against the purchase of another. DESIGNING FINANCIAL INDEPENDENCE by M. H. Sirron, M. E., is an unusual presentation of how one man worked out his schedule for attainment of financial independence.
